- **From Dr. Sam McFadden**

'Grandma's Yellow Rose'

Rosa Nacogdoches

- Full Sun
- Drought Tolerant

- Texas Tough
- Grandma Approved

'Mortensen' Hardy Red Grape

A good table grape,
fairly large berries,
green with a pink
blush. Excellent taste
with very few seeds.

Vigorous vine and,
most importantly,
superior resistance to
Pierce's disease.

Ripens the second
week of August. Self-
fruitful.
